The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

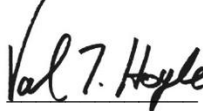

I am requesting funding for the Mapleton Water Distribution System Upgrade project. The entity to receive funding for this project is the Mapleton Water District, located at 88151 Riverview Avenue, Mapleton, Oregon 97453.

Funding would be used to replace approximately 2,500 feet of failing asbestos concrete water distribution line with High-Density Polyethylene pipe. This project is a good use of taxpayer funds because it replaces aging infrastructure, protects community health and safety and helps ensure reliable water service for Mapleton's families, businesses and EMS providers.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle  
Member of Congress
