The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

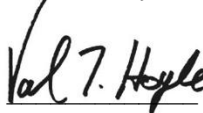

I am requesting funding for the Pioneer Valley Estates Water Distribution System Replacement project. The entity to receive funding for this project is the City of Coburg, located at 91136 N Willamette Street, Coburg, Oregon 97408. The project is located at N Coburg Road, Coburg, Oregon

Funding would be used to replace an outdated water distribution system for a 38-home rural subdivision that routinely breaks and leaks. This project is a good use of taxpayer funds because it protects community health and safety by ensuring reliable access to safe drinking water and consistent water service for fire protection.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle
Member of Congress
