The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

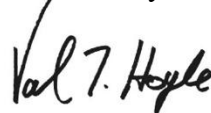

I am requesting funding for the Oregon Coast EMS Training Ambulance Initiative. The entity to receive funding is Oregon Coast Community College, located at 400 SE College Way, Newport, Oregon, 97366.

Funding would be used to equip a fully functional training ambulance that allows EMT and paramedic students at Oregon Coast Community College to practice hands-on transport skills in realistic conditions. This project is an appropriate use of taxpayer funds because it will expand EMS career pathways, improve the training of our rural EMS workforce and enhance public safety across Coastal Oregon.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Val Hoyle
Member of Congress
