The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$857,500 for the Body-Worn and In-Car Video Systems Modernization project in Fiscal Year 2026. The entity to receive funding for this project is the City of Springfield, located at 225 5th Street, Springfield, Oregon 97477. The funding would be used for modernizing law enforcement's body-worn and in-car video systems.

The project is an appropriate use of taxpayer funds because it would ensure continued access to technology that supports transparency, safeguards civil liberties, and provides a valuable return for taxpayers through strengthened public trust and efficient law enforcement services.

The project has a federal nexus because the funding is provided for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle

Member of Congress
