The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

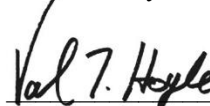

I am requesting funding for the Charleston Shipyard Work Dock Restoration and Enhancement project in Fiscal Year 2027. The entity to receive funding for this project is Oregon International Port of Coos Bay, located at 125 Central Avenue, Suite 300 Coos Bay, Oregon 97420. The project is located at 63310 Boat Basin Rd, Charleston, Oregon 97420.

Funding would be used for restoring work dock infrastructure used for commercial and recreational fishing vessel repair and maintenance. This project is a good use of taxpayer funds because funding will be used to improve infrastructure for the only publicly accessible shipyard facility in the region, supporting the local maritime economy.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle

Member of Congress
