The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Eugene Airport Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Eugene, located at 500 E. 4th Avenue, Eugene, Oregon 97401.

The funding would be used for the design and initial construction of a new aircraft apron at Eugene Airport, including taxi lane pavement, grading, drainage, lighting and airfield markings, which are required to support the expansion of Concourse C. This project is an appropriate use of taxpayer funds because it would bolster economic growth, improve airport infrastructure and increase air service options.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle
Member of Congress
