The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the South 22nd Street Housing Readiness Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Reedsport, located at 451 Winchester Avenue, Reedsport, Oregon 97467.

The funding would be used for engineering, environmental review and construction of approximately 250 linear feet of new public roadway and utility infrastructure on South 22nd Street in Reedsport to enable water, sewer, storm drainage and street access needed to support development of approximately 59 new housing units. The project is an appropriate use of taxpayer funds because it removes a clear barrier to housing, enables future development of affordable and workforce housing and supports local employers and industries that need workers.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle  
Member of Congress
