The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

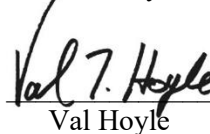

I am requesting funding for Mary's Peak Regional Public Safety Training Facility in Fiscal Year 2027. The entity to receive funding for this project is Philomath Rural Fire Protection District #4, located at 1035 Main Street, Philomath, Oregon 97370.

Funding would be used for property acquisition, site preparation and construction of a training facility for career and volunteer fire and rescue professionals. This project is a good use of taxpayer funds because funding will be used to enhance delivery of public safety services in a rural community with high wildfire risk.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle

Member of Congress
