The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

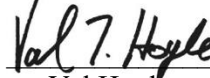

I am requesting funding for the Dorena Fire Station Development Project in Fiscal Year 2027. The entity to receive funding for this project is Row Rive Fire Response, located 37029 Row River Road, Cottage Grove, Oregon 97424. The project is located at 37491 Row River Road, Dorena, Oregon 97434.

Funding would be used to construct a fire station to support timely fire response in the unincorporated Row River Valley. This project is a good use of taxpayer funds because funding will be used to improve public safety in a wildfire-prone rural community that hosts a high volume of recreational visitors.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Val Hoyle

Member of Congress
